ADMINISTRATIVE  
CASE NO. 258

RE:

O R D E R

On January 3, 1983, two copies of the annual financial and statistical form (annual report), two copies of the gross intra-state operating revenues report form (gross operating report), and two copies of the assessable revenues report form are being mailed to all retail electric suppliers not subject to the jurisdiction of this Commission for rates. These reports should be completed for the calendar year 1982 and the original should be filed with this Commission on or before March 31, 1983, as required by Public Service Commission Regulation 807 KAR 5:006, Section 3(1), KRS 278.140, and KRS 278.230(3). For good cause shown, the Commission may, upon application in writing, allow a reasonable extension of time for filing of the annual report; however, an extension of time for filing the gross operating report and the assessable revenues report cannot be granted.

The Commission, being sufficiently advised, finds that:

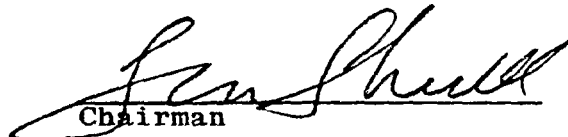

(1) The prompt and timely filing of the annual report, the gross operating report, and the assessable revenues report is essential to the operation of the Commission and reasonably required in the exercise of its statutory powers.

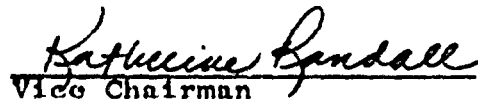

IT IS THEREFORE ORDERED that the above-named utility shall file with this Commission its annual report, its gross operating report, and its assessable revenues report for the calendar year 1982 on or before March 31, 1983.

IT IS FURTHER ORDERED that any utility failing to comply with this order shall be subject to KRS 278.990 (a copy of which is attached hereto), including the imposition of penalties provided therein.

Done at Frankfort, Kentucky, this 3rd day of January, 1983.

(1) Any officer, agent or employee of a utility, as defined in KRS 278.010, and any other person who willfully violates any of the provisions of KRS 278.010 to 278.450, or who procures, aids or abets any violation of those provisions by any such utility, shall be fined not more than one thousand dollars (\$1,000) or imprisoned for not more than six (6) months, or both. If any such utility that is a private corporation violates any of the provisions of KRS 278.010 to 278.450, or does any act therein prohibited, or fails to perform any duty imposed upon it under those sections for which no penalty has been provided by law, or fails to obey any lawful requirement or order of the commission having jurisdiction, the utility shall for each offense forfeit and pay to the state treasurer, to be credited to the general fund, a sum not less than twenty-five dollars (\$25.00) nor more than one thousand dollars (\$1,000). Each act, omission or failure by an officer, agent or other person acting for or employed by a utility and acting within the scope of his employment shall be deemed to be the act, omission or failure of the utility.
